WHAT DO GOVERNORS DO?

- We appoint staff to the school and are involved in their development and performance management.
- We are responsible for the general conduct and curriculum of the school.
- We consider cases of pupils permanently excluded from the school.
- We approve the school's annual budget plan.
- We provide information for parents, the local education authority and for OFSTED inspections.
- We determine what goes on in the building after school hours.
- We ensure the school's health and safety policy is in place and followed at all times.

HOW DO WE DO IT?

We meet as a full governing body at least once a term. At these meetings, we discuss information provided for us by the Local Education Authority. We also discuss school-based issues, which are mainly involved with implementing school policies.
