

Mill Hill SEND and Additional Needs Newsletter

Aspire-Learn-Succeed

Welcome back!

Summer 2025

Dear Parents/Carers,

Our Windmill provision has welcomed more children this term and we are very excited to see our Mill Hill family continue to grow and succeed. We are so proud of how well our new children have settled in and they have had a warm and friendly welcome!

If your child is on our SEN register, you will shortly be sent an appointment for your child's Summer SEN review, which will take place with your child's class teacher.

A few reminders:

Your child's class teacher is your first point of contact if you have any concerns or for day-to-day queries.

However, if you require further information or guidance, you are more than welcome to contact our SENDCO, Miss Gibson and our Assistant SENDCO, Mrs Small via email to the school office. office@millhillprimaryschool.co.uk

Miss Gibson is our SENDCO and has a teaching responsibility in the Windmill. She will also be attending meetings, SEN reviews, training and supervision with other services.

Mrs Small is our Assistant SENDCO and alongside attending meetings, completing referrals and contacting external agencies; she has a teaching responsibility in Year 2.

We therefore ask for 48 hours to reply to emails or return phone calls to parents. Your support with this is much appreciated.

Mrs Small & Miss Gibson

SEND and Additional Needs Coffee Afternoon

Tuesday 24th June 2025 3:30pm-4:30pm

All parents and carers are welcome to join us, whether your child has a diagnosis, an additional need or you have worries or questions. This is a brilliant opportunity to speak to our SEN team about any concerns you may have.

Everyone is welcome. If you have no alternative arrangements for your child, you are welcome to book into after-school club. Please let us know if you require any support with childcare to be able to attend.

Support services available to our families:

See the link below for a range of support services available to families in the North East:

<https://northeastnorthcumbrianhs.uk/our-work/workstreams/children-and-young-people/needs-led-neurodevelopmental-pathway/>
